

**Texas Division of Emergency Management
State Situation Report**

New Information Is In Blue Text

Event Name	20-0003 COVID-19 2020
Date	May 2, 2020
Time	0900
Operational Period	May 1 to May 2, 2020
Report Number	44

Regions Affected	
Regions Affected	1, 2, 3, 4, 5 & 6
DDCs Active	ALL DDCs are activated

Current Situation:

Texas People Tested

Total	351,775
Public Labs	12,853
Private Labs	338,922

**Number does not include the total tested by all private labs.*

Texas COVID-19 Cases (1)

Total Statewide Cases	29,229
Texas Counties	210
Deaths	816

On April 30, Governor Abbott announced that the Texas Workforce Commission (TWC) has issued new guidance to unemployment claimants concerning their eligibility for unemployment benefits should they choose not to return to work at this time due to COVID-19. Under this guidance, Texans can continue to receive unemployment benefits throughout the COVID-19 response if they choose not to return to work for certain reasons as specified by TWC.

Each unemployment insurance claim is currently evaluated on an individual basis. However, because of the COVID-19 emergency, the following are reasons benefits would be granted if the individual refused suitable work.

Reason for refusal:

- At High Risk: People 65 years or older are at a higher risk for getting very sick from COVID-19.
- Household member at high risk: People 65 years or older are at a higher risk of getting very sick from COVID-19.
- Diagnosed with COVID: The individual has tested positive for COVID-19 by a source authorized by the State of Texas and is not recovered.
- Family member with COVID: Anybody in the household has tested positive for COVID-19 by a source authorized by the State of Texas and is not recovered and 14 days have not yet passed.
- Quarantined: Individual is currently in 14-day quarantine due to close contact exposure to COVID-19.
- Child care: Child's school or daycare closed and no alternatives are available.

Any other situation will be subject to a case by case review by TWC based on individual circumstances.

On April 27, Governor Abbott announced the first phase of the State of Texas' ongoing plan to safely and strategically open Texas while minimizing the spread of COVID-19. Under Phase I, certain services and activities are allowed to open with limited occupancy, and the Texas Department of State Health Services (DSHS) is issuing minimum standard health protocols for all businesses and individuals to follow. The Governor also outlined special guidance for Texans over 65 and detailed a comprehensive mitigation plan for nursing homes in Texas. The Governor also announced a statewide testing and tracing program developed by DSHS that will help public health officials quickly identify and test Texans who contract COVID-19 and mitigate further spread of the virus.

The Governor's announcement is accompanied by *Texans Helping Texans: The Governor's Report to Open Texas*. This detailed report, available on the strike force website, helps Texans understand phase one by outlining the new protocols, guidance, and recommendations. The report also includes a series of Open Texas Checklists that outline DSHS' minimum standard health protocols for all Texans.

By way of Executive Order (GA-18), all retail stores, restaurants, movie theaters, and malls are permitted to reopen on Friday, May 1. These services must limit their capacity to 25% of their listed occupancy. Within shopping malls, the food-court dining areas, play areas, and interactive displays and settings must remain closed.

All museums and libraries may open under the same 25% occupancy limitation, but interactive areas of museums must remain closed. State libraries and museums will open by May 1, and local public museums and libraries may reopen only if permitted by the local government. Single-person offices may reopen as well.

Churches and places of worship remain open. Outdoor sports are allowed to resume so long as no more than four participants are playing together at one time. Certain social distancing practices must also be followed. Local government operations, including county and municipal government operations relating to permitting, recordation, and document-filing services, may reopen as determined by the local government.

DSHS has recommended minimum standard health protocols for all individuals, all employers and employees, as well as industry-specific protocols for retailers, retail customers, restaurants, restaurant patrons, movie theaters, movie theater customers, museums and libraries, museum and library visitors, outdoor sports participants, single-person offices, and low COVID-19 counties. These protocols are outlined in the Open Texas Checklists within the Governor's report beginning on page 20.

Essential services such as farmers and ranchers, grocery and drug stores, banks, and gas stations will continue to operate. Public swimming pools, bars, gyms, cosmetology salons, massage establishments, interactive amusement venues, such as bowling alleys and video arcades, and tattoo and piercing studios will remain closed through Phase I. Nursing homes, state supported living centers, assisted living facilities, and long-term care facilities must remain closed to visitors unless to provide critical assistance.

The Governor also established increased occupancy protocols for certain counties with five or fewer laboratory confirmed cases of COVID-19. Those counties may, on an individualized basis, increase occupancy limits to up to 50% for restaurants, retail, shopping malls, museums and libraries, and movie theaters if they meet certain criteria. The county judge must certify and affirm to DSHS that the following standards have been investigated and confirmed to be met:

1. The county had five or fewer COVID-19 laboratory confirmed cases on April 30, 2020 or, at a later date, five or fewer active COVID-19 cases as verified by DSHS.
2. The county has created a list of testing opportunities in the county or the area.
3. The county has been in contact with its designated regional advisory council to ensure the community is prepared for any needed health care transfers.
4. The county has provided public notice to the residents of the county, including: Signs and symptoms of COVID-19; Recommended health and safety protocols in line with CDC guidance; Information regarding how residents can get tested in the area; A link to the DSHS website where residents can go to learn about community spread in nearby communities, in order to help county residents understand their risk to exposure if they travel regularly outside of the county.
5. The county has contacted each of the following types of facilities located in the county to ensure they are complying with Texas Health and Human Services (HHSC) and the Centers for Disease Control and Prevention (CDC) guidelines regarding COVID-19: Nursing homes; assisted living facilities; Industrial, agricultural, or business facilities with a significant number of employees; and City or county jails.
6. The county is equipped and prepared to protect vulnerable populations, including nursing homes and assisted living facilities.
7. The county has documented procedures to be activated if a resident becomes COVID-19 positive, including procedures to take appropriate measures as necessary in line with the plan to open Texas.
8. The county has contacted DSHS in order to create a plan to ensure contact tracing will occur within 48 hours of a positive test reported to DSHS.

Phase I will begin Friday May 1 and continue until at least May 18. The Governor will continue to evaluate next steps for the state.

The Governor's Report to Open Texas also outlines a long-term comprehensive mitigation plan for nursing homes in Texas. Eight recommendations have been developed by HHSC to help mitigate the further spread of COVID-19 and decrease the risk of infection in these facilities. A summary of the recommendations is below, and full recommendations are in the Governor's report beginning on page 9:

1. Quantify the extent of infection immediately
2. Establish a comprehensive mitigation plan
3. Re-evaluate current COVID-19 positive facilities
4. Appropriate isolation and placement of COVID-19 patients
5. Implement enhanced access controls
6. Enhance control of staff access
7. Effective notifications
8. Continue containment efforts

Additionally, the Governor issued an Executive Order (GA-20) to eliminate the mandatory 14-day quarantine period for individuals traveling from Louisiana. Under GA-20, the mandated 14-day quarantine for travelers from the following areas remains in place: California; Connecticut; New York; New Jersey; Washington; Atlanta, Georgia; Chicago, Illinois; Detroit, Michigan, and Miami, Florida.

View the Governor's Executive Orders issued:

- GA-18: Relating to the expanded reopening of services as part of the safe, strategic plan to Open Texas in response to the COVID-19 disaster.
- GA-19: Relating to hospital capacity during the COVID-19 disaster.
- GA-20: Relating to expanding travel without restrictions as part of the safe, strategic plan to Open Texas in response to the COVID-19 disaster.

Governor Abbott and Attorney General Ken Paxton issued updated joint guidance regarding the effect of Governor Abbott's Executive Order GA-18 on religious services conducted by congregations and houses of worship. It recommends health protocols for houses of worship to guard the health and safety of their attendees while serving their respective communities of faith.

On April 24, Governor Abbott announced that the Texas Division of Emergency Management (TDEM) and the Texas Department of State Health Services (DSHS) have launched an online COVID-19 test collection map to help Texans locate test collection sites within their community.

[View the COVID-19 test collection map.](#) The test collection map is also accessible through the [Texas.gov COVID-19 resource page.](#)

On April 24, Governor Abbott and the Texas Department of Housing and Community Affairs (TDHCA) announced that Texas will provide HOME Tenant Based Rental Assistance (TBRA) to Texans experiencing housing challenges due to COVID-19. Individuals needing assistance should visit [Help for Texans](#) to search for rental assistance providers in their area. Simply click Long Term Rent Payment Help, enter the city or county, and click on the Find Help button.

On April 23, Governor Abbott announced that Texas A&M AgriLife Extension Service will provide a series of free online trainings to help local officials understand, acquire, and administer federal assistance available to the state of Texas and municipalities through the Stafford Disaster Relief and Emergency Assistance Act and recently passed Coronavirus Aid, Relief, and Economic Security (CARES) Act. The first online training, Federal Relief: An overview for local governments, is available now. The Texas A&M AgriLife Extension Service is a unique education agency that provides programs, tools, and resources on a local and statewide level that teach people improved agriculture and food production, advanced health practices, environmental protection, economic, and youth programs.

On April 23, Governor Abbott announced that Texas Health and Human Services Commission (HHSC) will receive nearly \$54 million in federal funds to support older Texans and people with disabilities during the COVID-19 response. The funding will be used to support programs and services administered by the state's 28 Area Agencies on Aging such as home delivered meals, help with household chores, assistance with groceries, and respite care or other services for family caregivers.

On April 22, Governor Abbott temporarily waived certain restrictions to allow Texas higher education institutions to transfer all unexpended student financial aid funds from the Texas College Work-Study (TCWS) program to other financial aid programs that do not have a work-study requirement to ensure students will continue receiving financial assistance. Those programs include the TEXAS Grant program, the Texas Educational Opportunity Grant program, and the Tuition Equalization Grant program.

On April 22, Governor Abbott waived certain testing requirements for Advance Practice Registered Nurses (APRN) as part of the state's response to COVID-19. As a result of this waiver, new APRN graduates who have applied for APRN licensure with the Board of Nursing and have met all licensure requirements except national certification may begin practicing under direct physician supervision. This graduate approval does not include prescriptive authority.

On April 21, Governor Abbott provided an update on job openings in the Lone Star State and outlined resources for Texans seeking employment due to the economic effects of COVID-19.

On April 20, Governor Abbott announced that the Texas National Guard will be mobilizing more than 1,200 personnel as part of COVID-19 mobile testing teams (MTT). The 45 member teams will be mobilized in various parts of the state providing greater access to medical testing.

The teams will have 11 medical professionals and support staff, as well as 34 soldiers. Currently, the Texas National Guard has the capacity to test 150 people per day at each mobile testing team location.

The Texas Military Department was activated by Governor Abbott in March to assist communities across Texas in the COVID-19 response. Currently, over 3,086 Guardsmen are serving in various capacities in response to this activation.

“Essential services” shall consist of everything listed by the U.S. Department of Homeland Security (DHS) in its Guidance on the Essential Critical Infrastructure Workforce, Version 2.0 or any subsequent version, plus religious services conducted in churches, congregations, and houses of worship.

Requests for additions should be directed to TDEM at EssentialServices@tdem.texas.gov or by visiting www.tdem.texas.gov/essentialservices.

With reports of elevated scams and fraudulent activity preying on the public and consumers disguised as COVID-19 relief and assistance, local, state and federal response includes guidance, investigation, and prosecution. See links below:

On April 17, Governor Abbott held a press conference where he issued three new Executive Orders (EO-GA-15, EO-GA-16, and EO-GA-17) to begin the process of reopening the State of Texas while revising hospital capacity and certain social distancing guidelines.

On April 13, Texas Attorney General Ken Paxton filed a motion to intervene into a federal lawsuit seeking to stop the release of inmates from the Dallas County Jail, including killers, rapists, arsonists and armed robbers. The Texas Supreme Court stopped an unlawful decision by a state district court in Travis County which would have blocked Governor Abbott's Executive Order GA 13 and allowed the release of inmates en masse.

On April 12, Governor Abbott issued a proclamation extending his Disaster Declaration for all Texas counties in response to COVID-19. Originally issued on March 13th, the Disaster Declaration provides the state a number of resources to effectively serve Texans as the Lone Star State continues to mitigate the spread of COVID-19.

On April 11, Governor Abbott waived certain regulations related to restrictions on physicians-in-training (PIT) permit holders in order to increase health care capacity through the state's response to COVID-19.

On April 10, Governor Abbott held a press conference where he provided an update on the state's response to COVID-19. The Governor discussed numbers related to COVID-19 cases, hospitalizations, and fatalities in Texas counties.

In addition, the Governor announced a new online [Frontline Child Care Website](https://frontlinechildcare.texas.gov) to help essential workers in Texas locate child care and support child care centers who are caring for children during the outbreak. <https://frontlinechildcare.texas.gov>

On April 9, Governor Abbott temporarily waived a series of regulations to lift certain telehealth restrictions and expand telehealth options as Texas responds to COVID-19.

On April 9, Governor Abbott announced that the HHSC has adopted an emergency rule to temporarily allow more nurse aides to serve residents in long-term care facilities during the COVID-19 response.

On April 8, Governor Abbott suspended certain statutes concerning appearance before a notary public to execute a self-proved will, a durable power of attorney, a medical power of attorney, a directive to physician, or an oath of an executor, administrator, or guardian. These suspensions temporarily allow for appearance before a notary public via videoconference when executing such documents, avoiding the need for in-person contact during the COVID-19 pandemic.

On April 8, Governor Abbott announced that his Public Safety Office (PSO) will provide a one-time emergency waiver of the federally required cash or in-kind match contribution required for the Victims of Crime Act (VOCA) and STOP Violence Against Women Act (VAWA) grant funds.

On April 8, Governor Abbott announced that Texas Health and Human Services (HHS) will provide more than \$168 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits to help Texans during the COVID-19 response. [More information about SNAP benefits.](#)

On April 8, Governor Abbott held a press conference where he provided an update on the production and distribution of personal protective equipment (PPE) in Texas. The Governor announced a new partnership between the Texas Military Department (TMD) and Prestige Ameritech to increase the production of face masks for health care workers.

On April 7, Governor Abbott temporarily waived certain regulatory requirements to increase the job capacities of pharmacy technicians and pharmacy interns.

On April 7, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) has adopted an emergency rule to allow end stage renal disease (ESRD) facilities to treat patients more effectively during the COVID-19 response.

On April 6, Governor Abbott held a press conference to provide an update on personal protective equipment (PPE) distribution throughout the state of Texas.

Governor Abbott announced that Care.com is increasing in-home child care access for frontline workers responding to the COVID-19 emergency.

On April 6, Texas Health and Human Services announces Texas WIC, the special supplemental nutrition program for women, infants, and children, is expanding the number of food items eligible for purchase through the program. WIC participants can find detailed information on the [Texas WIC website.](#)

On April 5, Governor Abbott temporarily waived certain regulations to expand the health care workforce to assist with Texas' COVID-19 response.

On April 3, Governor Abbott held a press conference to provide an update on Texas hospital capacity. During the press conference, the Governor and Dr. Zerwas presented an overview of statewide hospital bed capacity, as well as a detailed analysis of bed availability by region. Texas has increased by over 140% since March 18th.

On April 2, Governor Abbott suspended regulations to increase the amount of Emergency Medical Services (EMS) workers and first responders in Texas during the state's response to COVID-19.

On April 1, Governor Abbott issued a statement regarding the recently passed \$2 trillion federal stimulus package intended to relieve the economic impact of the COVID-19 pandemic, with a special focus on unemployed workers and the state's hardest-hit businesses.

On April 1, Governor Abbott and the Texas Department of Housing and Community Affairs (TDHCA) took initial action to provide tenant-based rental assistance for Texans experiencing financial hardship due to COVID-19.

On March 31, Governor Abbott announced the Comfort Food Care Package (CFCP) program to provide meals for at-risk youth and families in communities across Texas as the state responds to COVID-19. [Texas Restaurant Association website](#).

On March 30, Governor Abbott waived certain statutory provisions to ensure public safety employees who contract COVID-19 during the course of their employment will be reimbursed for reasonable medical expenses related to their treatment of COVID-19.

On March 30, Governor Abbott announced that the [Center for Medicaid and Medicare Services \(CMS\)](#) (www.cms.gov) has approved the Section 1135 Medicaid Waiver submitted by the Texas Health and Human Services Commission (HHSC) on March 26, 2020. This approval grants Texas flexibility in administering Medicaid while the state continues to respond to COVID-19.

On March 29, The Vice President of the United States sent a letter to all Hospital Administrators;

At the President's direction, we are requesting that all hospitals report the following information to HHS:

1. COVID-19 Test Result Reporting

a. We are requesting that all hospitals report data on COVID-19 testing performed in your Academic/University/Hospital in-house laboratories. ***If all of your COVID-19 testing is sent out to private labs and performed by 011e of the commercial laboratories 011 the list below, you do not need to report using this spreadsheet.***

i.. *Commercial laboratories:* LabCorp, BioReference Laboratories. Quest Diagnostics, Mayo Clinic Laboratories, and ARUP Laboratories.

b. ***Reporting Instructions:*** We request that all data for COVID-19 testing completed at "in-house" laboratories or a laboratory not listed above be ***reported*** using the attached spreadsheet.

i. Due date/time: The spreadsheet is due EVERY day at 5 PM ET.

ii. Data to report: The data elements are outlined in the spreadsheet [emailed separately], but should include all test results that were completed during the previous day with a midnight cutoff.

iii. Where to submit: Submit the spreadsheet via email to fema-hhs-coviddiagnostics-tf@fema.dhs.gov.

iv. Data elements to report: Included in the attached spreadsheet with definitions.

c. For questions about reporting, please contact fema-hhs-covid-diagnosticstf@fema.dhs.gov.

2. National Healthcare Safety Network (NHSN) COVID-19 Module

a. To monitor the rapid emergence of COVID-19 and the impact on the healthcare system, all hospitals should report data each day to the National Healthcare Safety network (NHSN) COVID-19 Patient Impact and Hospital Capacity Module, which has been made available for hospitals to use beginning March 27, 2020. All hospitals that currently use NHSN have received an email from the CDC with additional details about how to report to the new module. Although most hospitals already regularly submit data to NHSN on healthcare-associated infections for purposes of CMS reporting, the data we are now asking you to report is necessary in monitoring the spread of severe COVID-19 illness and death as well as the impact to hospitals. Additional details can be found in the attached documents and at the following website: <http://www.cdc.gov/nhsn/acute-care-hospital/covid-19/index.html>.

b. For questions on this module, please contact HS @cdc.gov and put "COVID-19 Module" in the subject line.

On March 28, Governor Abbott waived certain regulations allowing for an expedited licensing reactivation process for Advanced Practice Registered Nurses (APRN) in Texas.

On March 28, Governor Abbott waived certain licensing renewal regulations for Texas pharmacists, pharmacy technicians, and pharmacy technician trainees.

On March 27, as part of the state's ongoing response to COVID-19, Governor Abbott announced the deployment of three National Guard Joint Task Force Brigades. The 72nd Infantry Brigade Combat Team, the 56th Infantry Brigade Combat Team, and the 176th Engineer Brigade.

On March 27, Governor Abbott waived certain Texas Workforce Commission (TWC) regulations to preserve and extend child care capacity for front line workers.

On March 26, Governor Abbott announced his request for access to interest-free federal loans (known as Title XII funds) to pay unemployment claims and the accelerated release of funds from the Texas account of the federal Unemployment Trust Fund.

On March 25, Governor Abbott released a statement thanking President Trump for issuing a Major Disaster Declaration (DR-4485) for the State of Texas.

Governor Abbott has temporarily waived certain hospital licensing rules and the Texas Health and Human Services Commission (HHSC) has adopted an emergency rule to meet Texas' need for additional hospital capacity while the state responds to COVID-19.

Governor Abbott has waived certain regulations from the Texas Board of Nursing regarding licensing renewal and subsequent fees for nurses in Texas.

On March 23, Governor Abbott sent a letter to President Trump requesting a presidential declaration of a major disaster in Texas based on the continued impact of COVID-19.

Governor Abbott's letter also detailed the state's efforts to mitigate the impact of COVID-19, including executing the state's emergency management plan and issuing multiple executive orders, in accordance with guidelines from President Trump and the Centers for Disease Control and Prevention (CDC).

The Governor has also issued multiple waivers of state law to remove barriers limiting the response to this pandemic and activated the Texas National Guard to be prepared to assist with response efforts for COVID-19.

The letter also designated Chief Nim Kidd as the Governor's Authorized Representative and State Coordinating Officer, tasked with continuing his coordination with FEMA on all matters related to COVID-19.

March 20, The U.S. Food & Drug Administration (FDA) released an announcement that warns consumers about unauthorized fraudulent coronavirus tests. Reports may be sent via email to: FDA-COVID-19-Fraudulent-Products@fda.hhs.gov.

Governor Abbott also announced that the U.S. Small Business Administration (SBA) has included the entire state of Texas in its Economic Injury Disaster Declaration and granted access to its Economic Injury Disaster Loan (EIDL) program, which will provide long-term, low interest loans to qualifying businesses across the state.

On March 19, The Commissioner of the Department of State Health Services, Dr. John Hellerstedt, issued a Public Health Disaster Declaration in Texas.

On March 18, Governor Abbott issued a waiver that will allow restaurants to deliver alcoholic beverages with food purchases to patrons, including beer, wine, and mixed drinks.

On March 18, Governor Abbott, announced that Texas Department of Public Safety (DPS) Driver License Offices across the state are closing immediately.

Governor Abbott announced that he has directed the Texas Department of Public Safety (DPS) to temporarily waive expiration dates for Driver Licenses, Commercial Driver Licenses, and other identification forms. This action falls within the Governor's State of Disaster Declaration and is part of the ongoing effort to reduce to spread of COVID-19.

Governor Abbott announced that he is activating the Texas National Guard in response to the novel coronavirus outbreak in the state.

Governor Abbott issued a proclamation suspending provisions of the Texas Election Code to allow political subdivisions to postpone their 2020 local elections.

Governor Abbott has announced that Texas is waiving certain rules relating to parking placards for persons with disabilities.

Governor Abbott and the Texas Education Agency (TEA) announced a collaboration with local education agencies (LEA) on the Texas Students MealFinder Map which will allow Texas parents to locate LEA facilities serving meals in their communities.

Governor Abbott announced that he is temporarily suspending certain regulations to ensure that Texans will have continued access to their pharmacists as the state responds to COVID-19. The Governor also announced the launch of an online portal run by the Supply Chain Strike Force to streamline the process and validation of leads for more supplies. The portal, accessible through www.texas.gov, will serve as an intake process for those wanting to provide valid leads on PPE and donations. The Governor also issued an Executive Order to better track both hospital bed capacity and COVID-19 test results across the state. The order also requires every public or private entity utilizing FDA-approved COVID-19 tests to submit daily reports of all results to the local health department and DSHS who will then share this information with the CDC.

On March 17, Governor Abbott waived certain regulations and directed that the Texas Department of Insurance (TDI) issue an emergency rule, relating to telemedicine care for patients with state-regulated insurance plans.

On March 14, Governor Abbott, directed the Texas Medical Board (TMB) and the Texas Board of Nursing (TBN) to fast-track the temporary licensing of out-of-state physicians, physician assistants, certain retired physicians, nurses, and other license types to assist in Texas' response to COVID-19.

The Governor suspended State of Texas Assessments of Academic Readiness (STAR) testing for the state. Governor Abbott has suspended various provisions that require government officials and members of the public to be physically present at a specified meeting location.

On March 13, the President of the United States Donald Trump declared that the COVID-19 global pandemic is a national emergency.

On March 13, the Governor of the State of Texas Abbott issued a proclamation certifying that COVID-19 poses an imminent threat in the state and declared a state of disaster for all 254 counties in Texas.

The Texas Department of Agriculture (TDA) Commissioner Sid Miller announced TDA has been granted flexibility from the federal school meal program to allow Texas schools to continue to provide meals to students even if temporarily closed.

The CDC and Texas Department of State Health Services (DSHS) coronavirus webpages are reliable sources of information. DSHS is monitoring the Texas situation seven days a week.

DSHS is reporting active cases of COVID-19. Texas COVID-19 Cases.

DSHS will update the state case count each day by 12:00 Noon Central Time, the data displayed is current as of 8:00 PM the prior day.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.
5. Expand and maximize bed capacity.
6. Develop alternative care sites to support local governments and the health care systems.
7. Acquire supplies/equipment to support health care and testing.
8. Protect vulnerable populations.
9. Ensure visibility on progression of the disease.
10. Support local governments.
11. Set communications messaging for the event based of science and the circumstances.

Region 1 (Includes DDCs 4, 5, 6, and 22)

DDC 4 – Hurst (Includes: Denton, Erath, Hood, Johnson, Palo Pinto, Parker, Somervell, Tarrant and Wise Counties)

Tarrant County: Fort Worth Fire Department has opened a COVID-19 testing center available to front line health care workers including physicians, nurses, medical assistants and other health professionals. Call the Infections Disease Coordinator at the Joint Emergency Operations Center (EOC) at the City of Fort Worth at 817-714-9709. This number is answered from 8:00 AM to 5:00 PM daily.

Wise County: The COVID testing site is utilizing the parking lot of the Bridgeport hospital. Bridgeport tests by appointment only for now and the site will be run by Wise Health Systems. Open daily from 9:00 AM -5:00 PM.

DDC 5 – Mt. Pleasant (Includes: Bowie, Cass, Delta, Franklin, Hopkins, Lamar, Morris, Red River and Titus Counties)

Titus County:

RETAIL & RESTAURANTS

- All retail stores and all restaurants providing curbside or delivery services must require all employees to wear masks at all times while working.
- All retail stores and all restaurants providing curbside or delivery services must require customers to wear masks before entering the store and while shopping in the store.
- All retail stores must require all customers to sanitize their hands with alcohol-based sanitizer before entering the store.
- Retail stores include: grocery stores, super markets, warehouse stores, bodegas, liquor stores, convenience stores.

DDC 6 – Tyler (Includes: Anderson, Camp, Cherokee, Gregg, Harrison, Henderson, Marion, Panola, Rains, Rusk, Smith, Upshur, Van Zandt and Wood Counties)

211 is open to the public 24/7 to answer questions about COVID-19 symptoms, and related resources are online at <http://www.211.org/services/covid19>. There are two additional ways to connect: help seekers can text “211Help” to 484848, or visit www.211texas.org to web chat with a Community Resource Specialist. This is a local United Way initiative.

On April 30, 211 ET211 handled 288 calls. The top unmet needs were central intake/assessment for drug use disorders, housing authorities, local transit services, low income/subsidized rental housing, and medical care expense assistance. The top calls were for electric service payment assistance, rent payment assistance, undesignated temporary financial assistance, housing authorities, and COVID-19 control.

Anderson County: A mobile testing site will be open on May 3 from 9:00 AM to 5:00 PM at the Anderson County Annex in Palestine. The testing site is being done region wide and is appointment based.

A juvenile curfew in the City of Palestine is in effect seven days a week from 10:00 PM to 6:00 AM.

Due to CDC recommendation, CHRISTUS System is asking all patients, visitors and employees to wear a mask while visiting their facilities. Homemade cloth masks are appropriate for visitors.

Providers and health care workers will continue to use appropriate medical masks (PPE) when working.

Camp County:

City of Pittsburg: applied for a Request for Public Assistance (RPA) for the COVID-19 incident and was approved by FEMA.

City of Pittsburg's Economic Development Corporation is conducting a locally funded 'COVID-19 Business Grant' project, authorized by the City of Pittsburg, which will provide up to \$4,500 per eligible business for approved expenses.

Gregg County:

City of Longview: Environmental Health officials are coaching restaurants on sanitary requirements as they reopen in compliance with GA-19. Some City of Longview offices and services reopened on May 1 as noted in this release - <https://www.longviewtexas.gov/CivicAlerts.aspx?AID=2616>

Henderson County:

City of Tatum: The nutrition center has suspended Thursday lunches for at least two weeks.

Rusk County: Beginning Monday, May 4, the Rusk County courthouse will be open for business by appointment only. In order to be admitted, citizens will need to call ahead. The office that a person needs access to will have to contact security to ensure entry. The Tax Office will continue to provide drive-through service due to minor renovations that are not yet complete. Check the Rusk County website for additional information. As per CDC guidelines, you are encouraged to wear a mask.

Smith County:

City of Tyler: The City of Tyler will extend modified facility operations until Monday, May 4. All events City-operated or in a City facility have been suspended through May 4.

DDC 22 – Sherman (Includes: Cooke, Fannin and Grayson Counties)

On April 29, 211 handled 157 calls. Top needs requested at 211 were: food pantries, rent payment assistance, electric service payment assistance, aging and disability resource centers, county clerk of the courts offices, COVID-19 control, food stamps/SNAP applications, gas service payment assistance, and in-home attendants for people with disabilities.

Region 2 (Includes DDCs 13, 14, 15, 16 Houston, 16 Texas City, 16 Conroe, and DDC Pierce)

DDC 14 – Lufkin (Includes: Angelina, Houston, Jasper, Nacogdoches, Newton, Polk, Sabine, San Augustine, San Jacinto, Shelby, Trinity and Tyler Counties)

Test site information is being confirmed for the testing being conducted by EMTF 4 & 6 and the Texas National Guard Teams. Sites for EMTF-4 and EMTF-6 have been selected.

Angelina County: Working through local partnerships to secure grants in order to provide Utility and Rent assistance as well as Emergency Food Boxes. Zoom bible studies weekly, plus Facebook and online option for services. Working with Meals on Wheels for referrals of more than 200 people on a waiting list, and utilizing a collaboration with Heart to Heart Hospice to deliver food boxes to seniors, who are shut ins. Pastoral care and food boxes given to all Corps families and youth.

Polk County: The Alabama-Coushatta Tribe is requesting assistance in obtaining a COVID-19 testing site and requesting tests for antibodies with results for the tribal citizens and employees.

DDC 15 – Beaumont (Includes: Hardin, Jefferson and Orange Counties)

The Southeast Texas Regional Emergency Operations Center has launched a website summarizing and consolidating all information related to COVID-19 activities in Hardin, Jasper, Jefferson, Newton, Orange, and Tyler counties. <https://covid-19-jeffco.hub.arcgis.com/>

DDC 16 – Houston (Includes Chambers and Harris Counties)

Harris County: On April 28, the Houston Health Department will begin offering free COVID-19 testing through its mobile unit at strategic multi-service centers.

People do not need to have symptoms or appointments to be tested. The mobile unit has a daily capacity of 100 tests and is available as a drive-thru or walk-up option.

Mobile testing will occur Tuesdays-Fridays from 10:00 AM to 4:00 PM and Saturdays from 10:00 AM to 2:00 PM, or until capacity is reached, as follows:

- April 28-May 2: Kashmere Multi-Service Center, 4802 Lockwood Dr, Houston, TX 77026
- May 5-9: Hiram Clarke Multi-Service Center, 3810 W Fuqua St, Houston, TX 77045
- May 12-16: Third Ward Multi-Service Center, 3611 Ennis St, Houston, TX 77004

People with questions about mobile testing can call the health department's COVID-19 call center at 832-393-4220.

United Memorial Medical Center on Monday opened a free COVID-19 drive-through testing site at Barnett Sports Complex in Southeast Houston.

The site does not require people to have symptoms or appointments to be tested. The site has capacity to test approximately 250 people daily and is open from 9:00 AM to 4:00 PM, or until daily capacity is reached.

UMMC worked with the Houston Health Department to identify a strategic location for the new testing site and will do the same for future UMMC sites.

People with questions about UMMC testing sites can call 1-866-333-COVID or visit ummcscreening.com.

The Houston Health Department is partnering with four Federally Qualified Health Centers to expand their COVID-19 testing capacity by providing test kits, lab access and equipment.

FQHC patients pay what they can afford, based on income, and are not denied services due to inability to pay or lack of insurance.

The Houston Health Department continues operating two free drive-through COVID-19 community-based testing sites. The sites are open to anyone, regardless of symptoms.

People must call 832-393-4220 to receive an access code and instructions on where to go for testing. The two sites each have capacity for 500 tests per day and are open daily until capacity is reached.

Houstonians should visit HoustonEmergency.org/covid19 for the latest local information about COVID-19 and ways to protect their family and community.

Harris County Judge Lina Hidalgo signed an Executive Order requiring the use of face coverings in public spaces for all persons over the age of 10. This order is effective Monday, April 27, 2020 at 12:01 AM and extends until May 26, 2020 at 11:59 PM.

Per the order, face coverings shall be worn except when:

- Exercising outside or engaging in physical activity outside;
- Alone in a separate single space, whether indoors or outdoors;
- In the presence only of other members of one's residence, whether inside or outside the residence;
- When doing so poses a greater mental or physical health, safety or security risk; or
- When eating or drinking.

DDC 16 – Texas City (Includes: Brazoria and Galveston Counties)

Utility Payments may still be made using the drop box located outside of City Hall, online at www.Xpressbillpay.com , or over the phone. There will be no late fees nor disconnects during this time.

Region 3 (Includes DDCs 19, 20, 21, and 24)

DDC 19 – Laredo (Includes: Jim Hogg, Starr, Webb and Zapata, Counties)

Webb County: On April 30, County Judge Ibarra extended the Stay at Home Order through May 15. Dine-in restaurants operate at 25% of total occupancy. Movie theaters operate at 25%, shopping malls will also operate at 25%. Evictions will be suspended during this order.

City of Laredo: Beginning at 12:01 AM on April 30, 2020, landlords shall be prohibited from evicting a residential tenant for non-payment of rent during throughout the COVID-19 Declaration of Emergency.

The City of Laredo shall pay a maximum of fourteen days of emergency paid sick leave to any City employee who has tested positive, or who has a spouse or child that has tested positive, for COVID-19. This leave is available from April 1 through December 31, 2020.

The City of Laredo shall allocate \$1,500,000 through monies "COVID-19 Emergency Relief Funds" acquired from the Utilities Department Water Availability Fund, Solid Waste

Department, and/or Environmental Services Department, for purposes of covering the cost of a maximum of three months of residents utility fees for qualifying individuals who are unable to pay their bills due to a layoff that is a direct result of the COVID-19 Pandemic.

Zapata County: The following mandatory conditions must be met:

- Face coverings must be present at all times when launching boat or fishing from the banks
- A distance of six feet should be maintained at all times
- Groups should be limited to no more than five individuals

DDC 20 – Corpus Christi (Includes: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, Nueces, Refugio and San Patricio Counties)

On May 1-3 Testing is scheduled in Kleberg County (Kingsville) and May 3 in Brooks County (Falfurrias).

2-1-1 Texas/United Way HELPLINE:

Coastal Bend Region Service area: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, McMullen, Nueces, Refugio, San Patricio counties. <https://www.211texas.org/add-or-edit-your-2-1-1-listing/coastal-bend/>

Total Call Volume April 30: 79 calls with an average of 4.91 minutes

April 30: Top 5 call request for Coastal Bend region:

- Electric Service Payment Assistance
- Undesignated Temporary Financial Assistance
- Rent Payment Assistance
- COVID-19 Diagnostic Test
- Food Stamps/SNAP Application

Coastal Bend Council of Governments: Assisting in distribution of information regarding the Coronavirus Emergency Supplemental Funding Program.

Live Oak County: The County will be going to the 25% rule from the Governors Open Texas Guide. The Live Oak County Health department is monitoring the situation through their local Health Clinics and the recent Military Supplied Testing. The local fire departments have stopped the program to decon the carts after the stores close.

Nueces County: All city beaches in the City of Corpus Christi continue to be closed from 8:00 PM -8:00 AM.

City of Corpus Christi: The next drive thru testing will occur on Monday May 4 at 7:30 AM at the Old Memorial Hospital Parking Lot.

Port of Corpus Christi: [Beginning coordination activities for M/V Catillo De Navia, inbound vessel reports possible ill crewmember.](#) One (1) vessel, M/V BBC Sapphire, has been placed under a USCG Captain of the Port order to remain at anchor offshore due to positive test for COVID-19 of a crewman. [Crewman has been moved to Nueces County Alternative Care Site for monitoring.](#) The M/V BBC Sapphire will anchor unit the remaining crew is asymptomatic for 14 days. [The PCCA CEO has extended the “work at home” order for all vital employees thru Friday](#)

May 15. No in-person visitors, contractors or vendors shall be allowed at the Administration and Annex Building thru Friday May 15.

Refugio County: The Stay at Home Order expired on April 30th. The County will adhere to the Executive Orders issued by the Governor. The county meets the threshold that allows for 50% occupancy rate for applicable business that had been closed. Bars, gyms, spas, beauty, saloons and barbershops are not allowed to open yet. The County Courthouse is open to the public with each office invoking certain limitations and protective measures. The offices of the city and town will remain closed to the public. Refugio County Memorial Hospital continues to conduct testing according to CDC guidelines.

DDC 21 – Weslaco (Includes: Cameron, Hidalgo and Willacy Counties)

Food Bank RGV: Due to the rise in demand, families will only be allowed to visit the food bank once every 30 days. Pickup is every Tuesday from 9:00 AM to 11:00 AM, or until capacity is reached. Emergency pantry services for seniors 60 and older is on Thursdays from 9:00 AM to 11:00 AM.

Cameron County: Cameron County terminated the county wide curfew order on May 1. [County offices will return to regular business for the general public on May 4.](#)

As of 12:01 AM Saturday May 2, Cameron County parks, beaches and boat ramps are open again, though with restrictions. Parking lots at pedestrian-only beach parks such as Isla Blanca or E.K. Atwood will be limited to 50 percent capacity, while drive-on beaches will require at least 20 feet between vehicles, Treviño said. Social distancing must be practiced and everyone at the beach must wear a mask or facial covering, though they are not required in the water, he said. Watercraft for fishing may have a maximum of two occupants, or four occupants if members of the same household, and everyone has to wear a mask or facial covering. Charter fishing boats 18 feet or smaller may contain a guide and one client. Boats 22-26 feet in length may contain a guide and two clients. All parks will close at 6:00 PM or 7:00 PM.

Cameron County will be implementing a special task force with local business leaders for plans to reopen Rio Grande Valley businesses.

Hidalgo County: Drive-thru coronavirus testing started in the City of Donna on Monday, April 27. The drive-thru testing center will be open from 9:00 AM to 3:00 PM on weekdays and from 9:00 AM to 2:00 PM on Saturdays.

The University of Texas - Rio Grande Valley School of Medicine has opened a coronavirus drive-thru testing site in Mercedes. Testing is free to the public who qualify after a mandatory screening over the phone.

The City of Elsa, in collaboration with other entities, has established a drive thru testing site in the Delta area. The City of Elsa and Emergency Diagnostic Solutions opened two new COVID-19 drive thru testing site on Monday, April 27.

DDC 24 – Del Rio (Includes: Dimmit, Edwards, La Salle, Kinney, Maverick, Real, Uvalde, Val Verde and Zavala Counties)

Middle Rio Grande Development Council (MRGDC):

As of May 1 – Top Needs Calls to 211 MRGDC; Referrals to Resources

1. Economic Impact Payments (Government Stimulus)
2. Social Services, Social and Financial Services

Other testing sites in the district have been selected in Milam, Coryell, Lampasas, and Hamilton counties.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Visit the TDEM and DSHS Testing Site Maps to find a facility near you.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

Disaster Strike Team members are making multiple PPE deliveries from RAC's and armories to fulfill STAR's and for Mobile Specimen Collection Sites. [Nine DAR agents and Strike Team members delivered by Pony Express specimen collection kits to re-supply MTT sites. Four DAR agents received specimens at armories from collection sites after closing and are transporting them to airports to be flown to UTMB for analysis. 250 specimen collection kits were flown by DPS to Houston and were delivered by AgriLife Pony Express to Windsong Care Facility. Pony Express also delivered specimen collection kits to TDCJ in Huntsville and three other Nursing facilities.](#)

Article about COVID19 relief for Ag Producers <https://agrilifetoday.tamu.edu/2020/04/21/covid-19-relief-for-farmers-ranchers/>. In the article, a briefing paper is referenced that has been developed by the Agricultural and Food Policy Center at Texas A&M University. AgriLife activated one Regional Program Leader to assist TDEM DDC 6.

Eight Strike teams (90 total personnel) are delivering PPE and medical supplies from HPP RAC sites to assist with medical supply distribution.

[Ten DAR personnel and 24 Strike Team members delivered specimen collection kits and to re-supply mobile testing sites on May 1.](#)

Texas A&M Engineering Extension Service (TEEX): TEEX continues to support COVID-19 response across Texas.

Incident Support Team (IST) at San Antonio Armory has been issuing initial PPE packages to

the deploying Mobile Testing Team (MTT). SOC staff is working on plans to support the MTT operations.

Texas A&M Forest Service (TFS): TFS currently has 43 personnel committed to COVID-19 Response and is providing planning support, logistical support, and other functional areas as needed throughout the state. TFS resources are assisting the Texas Division of Emergency Management, Texas Department of State Health Services, and local jurisdictions. Assistance activities include Incident Action Plan development, Situation Reports, STAR Processing, Personal Protective Equipment hauling, logistical support for shipping and receiving materials, incident management support, and training.

Public Utilities Commission (PUC): PUC has created a link specific for COVID-19 on our public webpage. <http://www.puc.texas.gov/covid-19/>

Texas Commission on Environmental Quality (TCEQ): TCEQ has created a link specific for COVID-19 on our public webpage. <https://www.tceq.texas.gov/response/covid-19/tceq-preparedness-responsibilities-covid-19>

Texas Department of Health Services (DSHS):

Regional Activities:

All eight HPP Providers have activated Regional Operations Centers and are distributing PPE to healthcare entities in the region.

A vulnerable population facility task force (VPFTS) was created to focus on providing state support to vulnerable population outbreaks. Local public health and medical entities can send questions or request support to help contain facility outbreaks by emailing vpfts@dshs.texas.gov.

DSHS Call Center Activities:

The Call Center received 13,678 calls and 9,114 emails to date. Over the past 24 hours, the Call Center received a total of 103 calls and 141 emails. The Call Center is operational 7:00 AM – 8:00 PM every day of the week.

Texas Department of Licensing and Regulation (TDLR):

TDLR is extending their agency's current work from home initiative through May 31, 2020. As that date approaches, they will evaluate the current guidance from public health officials and state leaders to determine whether an additional extension is warranted.

TDLR reminds licensees, particularly those in the medical and health professions that they must continue to observe sanitary requirements. Anyone seeking guidance about whether to continue providing services should contact their local health departments or county judges, who are authorized to make that decision.

TDLR reminds all cosmetology salons (including nail salons, estheticians, and mini-salons), barbershops, laser hair removal establishments, and massage establishments that, in accordance with Executive Order GA-18 issued on April 27, they shall continue to remain closed.

Texas Department of Public Safety (DPS): [DPS Aviation responded to multiple requests for](#)

the statewide movement of supplies, test kits and collected samples. They flew to 11 airports to complete the transport mission of 800+ samples to Galveston. THP Region II personnel assisted with ground transportation of the collected samples from Scholes Airport to the UTMB lab for processing. THP personnel from Amarillo assisted TDEM with the Viral Transport Medium (VTM) standby request at the Texas Tech University Health Sciences Center-Amarillo. On May 1, Region 1 CID Agents began to provide ground transportation of collected samples from Dallas Love Field to the University of Texas Southwestern Medical Center lab.

Texas Education Agency (TEA):

To view TEA support and guidance for school districts regarding COVID-19 please visit <https://tea.texas.gov/texas-schools/safe-and-healthy-schools/coronavirus-covid-19-support-and-guidance>.

Texas Health and Human Services Commission (HHSC): Texas HHSC temporarily suspended non-essential visits to State Hospitals and State Supported Living Centers.

Texas Military Department (TMD): Governor Abbott activated the Texas National Guard on Tuesday, March 17 to help with the state's response to coronavirus. TMD currently has 3,069 personnel in support of the COVID-19 Response. Two TMD General Support Units are operating in support of testing sites in Kingsville and Houston. Eight TMD GSUs are staging in Dallas, San Antonio, Corpus Christi, Lubbock, Austin, Houston, El Paso, Weslaco and Tyler to implement the TDEM distribution plan to the RACs. TMD MDCs are supporting DDCs in 2, 04A, 04B, 6, 7, 8, 12, 13, 14, 16A, 16C, 16D, 18B, 19, DDC 20 and 21 and DDC 24. TMD is supporting the manufacture of n95 masks. TMD is assisting TDEM with warehouse distribution of PPE. TMD is supporting the North Texas Food Bank, the South Texas Food Bank, the East Texas Food bank, the Rio Grande Valley Food Bank, Harris County Food Bank, Tarrant County Food Bank, and the El Paso Food Bank with distribution. TMD is supporting the State Operations Center. TMD Engineering Facility Assessment teams are actively evaluating alternate care medical facilities for COVID 19 patient overflow potential. The TMD Engineering team is working with the Army Corp of Engineers. TMD is supporting Community Based Testing site operations in Garza, Duval, Jim Hogg, Parker, Wilbarger, Franklin, Titus, San Jacinto, Orange, Caldwell, Llano, Zavala, Bandera, Loving and Crane County. TMD has assisted with screening more than 7000 people. TMD is supporting TDEM Critical Information Systems with data compilation and STAR repositioning. TDEM is supporting the Department of State Health Services by tracking PPE distribution to health care facilities.

Texas Parks and Wildlife Department (TPWD): TPWD is monitoring the COVID-19 situation closely and making agency adjustments based on the DSHS and CDC guidelines to ensure the health and safety of employees, volunteers, and the public visiting TPWD facilities. Texas Game Wardens are currently assisting with "Pony Express" Rural COVID-19 Testing sites by providing ground transportation.

Texas Workforce Commission (TWC): TWC has 88.11% of its staff in Texas teleworking.

Forty-eight (48) offices across the state have been closed for deep cleaning due to potential exposure to COVID-19 due to public access, staff exposure or staff relative exposure.

Unemployment Insurance:

- Call centers are open 7 days a week 7:00 AM-7:00 PM.

- TWC has taken 111 weeks or 26 months of claims in 26 days.
- Claims by county and by industry have been added to the UI by number website <https://twc.texas.gov/files/jobseekers/unemployment-claims-by-week-large.png>
- Expanded the number of people doing pin and password resets with most of external relations working on them.
- A press release will be coming out with detailed instructions for self-employed/contract and gig workers.
- Three media updates a week M, W, F at 2:00 PM.
- Facebook lives are being held with a Tele-Center coordinator to answer questions.
- TWC is promoting the reallocating funding from last week's commission meetings.
- TWC has the 8th call center coming on line this week.
- TWC has expanded call center hours: 7:00 AM -7:00 PM and 7 days a week.

Volunteer Organizations Active in Disaster (VOADs)

Feeding Texas: Feeding Texas is a statewide network of food banks leading a unified effort to end hunger in Texas. Together with their 21-member food banks, they reach over 3 million Texans annually with food and resources and engage the state in the fight against hunger.

More than 9,500 volunteers have provided over 33,009 volunteer man hours.

Mission Information and Details

Distribution numbers from 14 food banks around the state is listed below. The remaining food banks data will be added as it is reported.

Food Bank	Prepared Meals	Pounds of Water Distributed	Pounds of Food Distributed	Non-food Items Distributed
Brazos Valley Food Bank (Bryan)			461,035	1,500
Central Texas Food Bank (Austin)		25,735	1,223,766

TOTAL REPORTED	35,769	389,321	16,548,397	92,512

The Salvation Army (TSA): TSA is currently monitoring statewide operations at each Salvation Army local Corps and Shelter, providing guidance through Divisional Social Services for shelter operations. Most locations have increased shelter capacity and have gone to 24/7 operations due to the community need. Current feeding operations are local with grab and go type services, food box/pantry distribution. No statewide feeding plan is operational at this time. The Salvation Army has entered into an agreement with TDEM and The National Guard providing

logistics to distribute PPE to various regions. The Salvation Army Emotional & Spiritual Care hotline, has been up and running for 1 month. Anyone needing someone to talk to can call 1-844-458-HOPE (4673). Hours of operation are 8:00 AM CST to 12:00 Midnight CST.

FINAL COMMENTS: The State Operations Center (SOC) remains at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at: <https://tdem.texas.gov/situation-reports/>
