

Press Release – 12/21/2020

Data from the Texas Department of State Health Services disclosed the following, effective December 21, 2020:

Fatalities from COVID-19 - 13

Confirmed cases - 312

Active cases (confirmed and probable) - 44 active cases.

14-day case total - 41

Today, DSHS reported that the percentage of hospital beds in the Abilene Trauma Service Area (TSA) utilized by COVID-19 patients was below 15% for two days but it is back over 15% today.

Please remember to wear your masks, particularly when inside and when you are not able to maintain at least six feet distance from others. Continue to use good disinfectant practices and use hand sanitizer. Utilize the curbside, delivery, or drive-through options when possible.

As always, please remember all these victims and their families in your prayers.
